

SILOAM PRESBYTERIAN CHURCH · STEWARDSHIP

Talent Commitment Record

In testimony of my devotion to my Lord and in acceptance of my responsibility as a member of Siloam Presbyterian Church, I have indicated below the types of service I am willing to perform.

How to use this form

- This form walks through eight short steps. Fill in only what fits you; no step is required.
- For each item, mark "Willing to serve" if you would take it on, and "Have experience" if you have done it before. Both can be true.
- On a computer or phone, tap the boxes and type in the fields, then save and email the file to the church. On paper, use a pen and return it to the church office.
